REQUEST AND PROMISE FORM

BY THE CATHOLIC PARENT/S

I/We request that our childbe received into the Church through the Sacrament of Baptism.

I/We believe all that Christ has taught us, and are dedicated to the Christian way of life.
I/We wish to pass on to our children the joy of this faith.

I/We understand that Almighty God has given us the gift of this child and the responsibility for his/her Christian upbringing. We realise that the child's first and most important school is the home, where we shall do our very best to give to our children an example of true Catholic living. We acknowledge also our duty to pray as a family in our home, and to be faithful to Sunday Mass.

I/We are aware that the child must be prepared carefully for the other Sacraments of Penance/Reconciliation, Eucharist and Confirmation. We realise that sacrifices will be asked of us to give our infant child a continuing Catholic formation and preparation for life. We pray to God for the grace to make these sacrifices with a generous spirit, and that God will bless our efforts.

BY A NON-CATHOLIC PARENT:

I support the request of my partner in marriage for the Baptism of our child. Baptism is the joining of a person to the one Body of Christ. It is my hope that all our family with this child will one day share together the full joys won for us by Christ. I will do all in my power to foster the growth and health of the Christ-life in our child.
